## Ayn Rand Universe: The Unofficial Guide to Her Life, Books, and Philosophy (Paperback)

By James Fritz

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Ayn Rand is one of the most polarizing authors of the 20th century. Best known for novels *The Fountainhead* and *Atlas Shrugged*, which used characters intent on exercising their individualism over conformity, Rand became a pop philosopher in the 1950s. Her work upholds the virtues of a philosophy that she and Nathaniel Branden called Objectivism. This book examines both her life and her work; it follows her humble origins and shows exactly how her books have influenced everyone from political figures to celebrities. Finally, it gives a nutshell recap of her most important philosophical contribution: objectivism. If you've never really understood why Ayn Rand was important, or if you have appreciated her books and just want to know more, then this book is for you. LifeCaps is an imprint of BookCaps Study Guides. With each book, a lesser known or sometimes forgotten life is recapped. We publish a wide array of topics (from baseball and music to literature and philosophy), so check our growing catalogue regularly to see our newest books.

### Reviews

*This is the greatest pdf i actually have go through right up until now. It is actually packed with knowledge and wisdom I found out this book from my dad and i advised this publication to find out.*
