Austin Macauley Publishers, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Is a disability something that is subjective or is it objective? Is a diagnosis opinion or fact? The Final Fence: Sophomores in the Saddle authored by Marc O Brien takes a creative and honest look into a life filled with support due to well meaning individuals that think before they speak. When Eddie Patrick meets up with Danielle Lynne on a college campus, a love of horses triggers a classroom discussion. When their professor-a large chestnut pony named The Great Satan-starts the lecture, the relationship skills make the grade, with the ribbon only being a decorative award. Using a backdrop of the elegant and classy world of the hunter jumper horse shows during the second Ronald Reagan presidential administration, the setting for this novel is a perfect way for the future generations to learn about respect.
