The large-square, small-triangle block described here is variously known as Square and Points, Evening Star, and Austin, depending simply on the light and dark colors used; the points are the emphasis in the Sawtooth Star variation here. Illustrated with color diagrams for block construction and finishing, as well as complete quilts, this book from the Building Blocks series introduces the classic Sawtooth Star block, first describing its origin and tradition and then proving its versatility in three contemporary projects. The book offers complete instructions for quilters of all skill levels and shows how fabric choices and small variations in the block can make a big difference in the overall look of your quilt. 30.
