# VISUALIZING PORTUGUESE POWER

Diaphanes Verlag Dez 2016, 2016. Buch. Condition: Neu. Neuware - Images have always played a vital role in political communication and in the visualization of power structures and hierarchies. They gain even more importance in situations where non-verbal communication prevails: In the negotiation processes between two (or more) different cultures, the language of the visual is often thought of as the most effective way to acquaint (and overpower) the others with one's own principles, beliefs, and value systems. Scores of...
