InterVarsity Press, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. God s people around the world form a mosaic. Each piece of the picture is different but contributes to a beautiful portrait of who God is and what he is doing among his creation. As you learn from these many cultural expressions of Christianity, your own faith will be made more complete. Drawing from scriptural illustrations, Paul-Gordon Chandler highlights cultural themes and tells inspirational stories from believers around the world. Ranging from the streets of Hong Kong to the shores of a village in Guatemala, these stories illuminate each region s culture and history. You ll be drawn into the mystery of God with Christians in Eastern Europe. You ll learn perseverance from fellow believers in the Middle East. Latin American churches exuberantly share joy in Christ. And brothers and sisters in Africa, Asia and India also open their hearts to help you understand God from their point of view. As you begin to see God through the eyes of other Christians, new windows of devotion, encouragement and growth open. And you will see God--a God who is as big as the whole world--as you have never seen him before.
