## Mischief Night: New and Selected Poems (Paperback)

By Roddy Lumsden

BLOODAXE BOOKS LTD, United Kingdom, 2004. Paperback. Condition: New. Language: English . Brand New Book. Roddy Lumsden is one of the liveliest and most inventive poets writing in Britain today. Mischief Night brings together the best work from Roddy Lumsden s three previous collections, as well as a whole new collection, The Drowning Man. The speaker woos and teases, cajoles and repels, withdrawing before beginning again. Though the poems offer no utopian promise, no deliverance, they cut to the quick with the difficult truth of longing, need, and the salt of hopelessness . - monique tschofen, New Delta Review There are...
