

The Tao of Poverty: Save Money and Achieve Contentment (Paperback)

By Dennis Lamour

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a highly unusual, highly original book using the principles of Taoism to advise the reader how to save money, get things for free, and embrace their financial situation. Mr. Lamour can t be pigeon-holed. His free-form approach to life has roots in the sixties, but he is unorthodox even by that standard. And he s a funny writer, with poignant comedy that will make you laugh out loud. Must read. The book easily pays for itself.
