Penguin Putnam Inc, United States, 2007. Paperback. Book Condition: New. Reissue. 170 x 104 mm. Language: English . Brand New Book. A collection of six short novels from the celebrated author of *The Portrait of a Lady* and *Washington Square*. . By turns chilling, funny, tragic, and profound, Henry James's short novels allow readers to experience the full range of his skills and vision. The title story, a chilling masterpiece of psychological terror, mixes the phantoms of the mind with those of the supernatural. *Daisy Miller*, the tale of a provincial American girl in Rome that established James's literary reputation, and *An International Episode* are superb examples of his focus on the clash between American and European values. And in *The Aspern Papers*, *The Alter of the Dead*, and *The Beast in the Jungle*, the author's remarkable sense of irony, his love of plot twists, and his view of male-female relationships find exquisite expression. With an Introduction by Fred Kaplan And a New Afterword.
