ANIMAL BODY LANGUAGE (PAPERBACK)

Lulu.com, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Animal Body Language is part of the R.U.F.F. Program, innovative animal based teaching. This curriculum was developed after children were bitten by dogs running around Chinle. One little boy ended up with a scar from the top of his forehead angled down to his chin. He had crawled under a trailer and tried to pet a dog and was savagely bitten in the face. This small boy had his life forever changed from this horrible incident. Something had to be in the schools to help the children understand more about dog behavior to avoid incidents like this. This curriculum is complete and has thematic unit tie-ins in social studies, language, behavior, safety issues, reading, art, writing and drama. There are suggested student activities that involve games, quizzes, animal behavior board set-up ideas, journal and creative writing. Animals helped extrapolate expressions of emotions and incorporated self-esteem where all else had failed. It teaches responsible behavior that proved extremely effective.
