

## Level X: Machine of Dreams (Paperback)

By Dan Harbison

Caliber Comics, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Experience the next level of consciousness.the level where dreams blend with reality, where a mere thought can bring salvation.or death. Beyond the level of dream, further than the realm of imagination, lays Level X. Six volunteers take part in a unique trial study. They are hooked up to a special super computer that will monitor and analyze their dreams. However a glitch in the dream machine plunges the subjects into a comatose stasis and their personalities as well are drawn into the machine, only to be manifested in the dreams themselves. Six people.one dream. Together they find themselves thrown into the very dreams of their counterparts and soon learn that even death exists in this new level of dreaming. And while the technicians and scientists begin a frantic struggle to recapture and return the consciousness of the subjects. Can they succeed? It s a desperate race against time to literally steal the consciousness of the dreamers away from the computer. However, the machine has plans of its own as it has identified the dreamers as a virus and begins to initiate a purge program...

### Reviews

*The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*
