## EURYTHMY: A SHORT INTRODUCTION TO THE ART OF MOVEMENT (2ND REVISED EDITION)

Floris Books. Paperback. Book Condition: new. BRAND NEW, Eurythmy: A Short Introduction to the Art of Movement (2nd Revised edition), Thomas Poplawski, Rudolf Steiner initiated a new art of movement, which can be characterised as speech and music made visible. This concise but informative guide to eurythmy includes a brief survey of dance, from its origin in the ancient mysteries to its contemporary forms, placing Steiner's ideas in their historical context. It then goes on to explore the three main strands of eurythmy: as stage performance, in education, and in therapy, giving insightful examples of each. The book has been revised and updated, and includes new colour photographs of performance and educational eurythmy.
