Celestial Gardens, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A true account of Nature intelligence and humans working together to create healthier lives on a healthier planet Nature is always present, always attentive, and always ready to work with us and fill our lives with a rich symphony of daily synchronicities and miracles. All we have to do is ask. In *Partnering with Nature*, Maureen Shepard tells the story of how she came to work with Nature intelligence and the adventures that followed. Interwoven through her inspiring personal story are excerpts from the *Partnering with Nature Handbook*, in which she walks us through the steps of connecting with Nature intelligence. She also shows us how to use the connection to get improved results in our work and in our lives. When Maureen first began her ongoing relationship with the consciousness in Nature, she didn't comprehend the implication of what she was initiating. One day, after reading *Co-creative Science* by Machaelle Small Wright, she was inspired to walk into the desert and ask to be accepted as a student of Nature. She didn't know at the time if she had actually connected with Nature intelligence, or if anything would ever come of it. But from that moment, her life unfolded in amazing ways and she began a series of adventures introducing her to mysteries in organic gardening, earth energy healing, earth ley lines, energetic soil balancing, flower essences, crystals, crystal singing bowls, mysterious tiny spaceships and more. As a homeopath, Maureen had already been working with energetic medicine, but these new adventures made her previous involvement with homeopathy seem staid by comparison. Maureen also began a series of journeys working with Nature to heal the earth beginning with the...
