Reviews

It is one of the best publications. It is really very intriguing through reading through periods of time. You will not feel monotony at any time of your own time (that's what catalogs are for relating to in the event you request me).

An unseen war is brewing in the shadowy underworld of London. Dr. Faith Miller, a local pathologist, is exposed to the horrific reality when she stumbles upon her brother consuming the flesh of his lover. Tajae Zhang, the second in command of the UK based black panther pack of the Chalvaiz clan, and his fellow shifters have been systematically exterminating the walking corpses-zombies, in an attempt to control the rapidly spreading demon virus. Secretly, he has observed Faith from afar for months. His attraction for her has grown into an untamable love. After she s bitten and infected with the virus, Tajae defies the laws of the shifter packs and puts his life on the line to save hers.
