Definitely one of the better publication I have got possibly read. It really is written in basic phrases and not difficult to understand. You won't sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

PASADENA: A MYSTERY AND A HISTORY YOU CAN EXPLORE

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The genesis in this book was when the head of the Children s Department at the Pasadena Pubic Library asked the local history librarian at the library to put together a brief little handout for fourth graders doing their state-mandated local history project. He really didn t do that. This book reflects his belief that children, who can endlessly discuss Minecraft, have the ability to use the computer to solve real problems, and the best way to engage students of any age is through questions where they are provided the tools to answer, but not necessarily the answers themselves, to questions. History is best experienced as a mystery to be solved, not as a series of facts to be memorized. As the local history librarian for the past 25 years, the author has access to the design and content to two local history databases, the Pasadena Digital History Collaborative and the Pasadena News Index, and this book is basically an extended tutorial on researching local history through these and other local history databases. Overall, the first few chapters go over how to research Pasadena, starting with the individual, and how one can learn about one s self, house, family and neighborhood in Pasadena using the computer and from the privacy of your home or classroom. There is also a discussion what might indicate when the computer is telling the user something that seems wrong or misleading, and what techniques that exist to determine what is the truth of the matter. Then using those research techniques one is introduced to more specific parts of Pasadena s History: It s Buildings; Neighborhoods; Rose Parade; Crime; Women; Pasadena at War; Sports;...
