Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you ever needed to change a recipe to feed everyone at your table? Have you ever needed to be creative when cooking? Are you new to the kitchen? If so, then read on. I am happy to share my lifetime of experiences and cooking with you. Except for a mixer, my recipes don t require fancy equipment or exotic ingredients. You can make a good meal with little money and less effort than you think. I even included what foods you should always keep in your kitchen. Momma s Home Cooking is much more than a cookbook or a list of family recipes. This book represents years of trial and error, of making do, and of doing the best with what you got. This book will give you advice on cooking meals with common ingredients, using appetizers to stretch your party budget, and desserts that make your after-church time even more special. I hope you enjoy cooking with this book as much as I enjoyed writing it.
