Reviews

A must buy book if you need to adding benefit. Better then never, though i am quite late in start reading this one. I am very happy to inform you that this is basically the very best book we have study during my own life and could be he finest ebook for possibly.
(Rodger Hane)

SUNSTONE/PIEDRA DE SOL (PAPERBACK)

New Directions Publishing Corporation, United States, 1991. Paperback. Condition: New. Language: English . Brand New Book. Presented in Eliot Weinberger s excellent new translation with the Spanish texts en face, this is the 1957 poem that definitively established Paz as a major international figure (Sagetrieb). Written as a single cyclical sentence (at the end of the poem the first six lines are written again), Sunstone is a tour de force of momentum. It takes as its structural basis the circular Aztec calendar, which measured the synodic period of the planet Venus (584 days the number of lines of Sunstone). But, as The New Republic noted, this esoteric correlative design.does not circumscribe its subject. [It is] a lyrically discursive exploration of time and memory, of erotic love, or art and writing.
