Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.
(Dr. Lukas Hills DDS)

KASHMIR (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.great range of snowy mountains which bound Kashmir on the north, with the Haramokh peak, 16,900 feet high, standing boldly out 35 miles distant immediately in front; and from just beyond Baramula even Nanga Parbat itself, 26,600 feet, and 70 miles distant, towering nobly over the lower ranges, the solitary representative of the many mountain giants which lay behind. Then as we emerged into the open valley the snow disappeared and the first faint signs of spring were visible. All the trees were indeed still bare. Neither on the massive chenar nor on the long lines of poplars which bordered the road continuously from Baramula to Srinagar was there a vestige of a leaf; and all the grass was absolutely brown. But in the willows there was just the suspicion of yellow-green. The little leaf-buds were just preparing to burst. On the ground were frequent masses of yellow crocuses and familiar bluebells. Here and there were clumps of violets. Occasionally a tortoise-shell or cabbage-white butterfly would flutt.
