His Christian lay experience is formulated from nearly 60 years of a practical evangelical point of view and study reinforced as a graduate of Liberty University Home Bible Institute, and from biblical insight influenced by noted Christian leaders and their learned exegesis of biblical doctrine and from his interest and study in Christian Apologetics. His interests include three grown children and seven grandchildren in Virginia, Mississippi and California, and his study of the full counsel of God s Word. A stimulating Christian commentary with decision-based information regarding Christian doctrine, a wide-ranging life study, cultic religions such as Christian Science, Mormonism, and Jehovah s Witnesses; the Apocrypha and Roman Catholic History, Resurrection, Book of Revelation, Apocalypse, Tribulational events, Second Coming of Christ, heaven and hell, salvation, rapture, judgment, eternity, and practical life issues such as financial stewardship and the future of our church. This book serves to provide life, death and eternal perspectives too significant to ignore. Included in the discussions are factual and undeniable historical, archeological, and scientific evidentiary information that will enable and encourage readers far beyond their expectations, their level of understanding, and their subsequent contributions to self, family, friends, social contacts and co-workers. This study is designed and prayerfully constructed to provide a comprehensive view of spiritual truths within the context of a single reference compiled from numerous Christian literature sources integrated with editorial commentary and creative comment.
