

THE Paranormal Explained

By Sean O Donnell

Lulu Enterprises, United Kingdom, 2007. Paperback. Book Condition: New. 232 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Dr. Sean O Donnell is possibly the only hard scientist ever, to have developed deep intuition competence quite deliberately. This unique symbiosis then readily affords a radical new viewpoint which can make large regions of paranormal experience quite easy to understand. The new anti-memory or pre-call viewpoint can readily demystify much of the previously mysterious experience of intuition - while bringing the paranormal into congruence with normal science as never before. Specifically it permits a first ever psychological exploration of Einstein s Theory of Relativity - which broadly holds that Time does not pass, though people do! This book is written in a very simple style to be accessible to all. So that if you ve ever experienced intuition and wondered what it might signify, you ll find a startling new answer here.
