

Titanic Tragedy: A New Look at the Lost Liner

By John Maxtone-Graham

WW Norton & Co. Paperback. Book Condition: new. BRAND NEW, Titanic Tragedy: A New Look at the Lost Liner, John Maxtone-Graham, This is a book unlike any other. Rather than offering a detailed retelling of the Titanic sinking on her maiden voyage, John Maxtone-Graham devotes his considerable knowledge and impeccable prose to a discussion of salient, provocative and rarely investigated components of the story. He includes dramatic survivors' accounts of the events of the fateful night. He discusses the role of newly invented wireless telecommunication in the disaster, the construction and its ramifications at the famous Harland and Wolff shipyard in Belfast and the dawn rendezvous with the rescue ship Carpathia. Richly written and vividly detailed, this is the book Titanic buffs have been waiting for.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS
