

Introducing Leadership (Hardback)

By David Pardey

Taylor Francis Ltd, United Kingdom, 2016. Hardback. Condition: New. 2nd New edition. Language: English . Brand New Book. Introducing Leadership is a highly practical textbook which draws on robust research to present a clear picture of what leadership actually involves. It explores why leadership has become so important in recent years; the role leadership plays in achieving organisational success; the skills that effective leaders need; and the steps that anyone can take to become an effective leader. This second edition expands its coverage into ethical practice and emotional intelligence, and looks at the impact that our increasing understanding of the brain is having on leadership behaviour and performance. It also considers the importance of trust for effective leadership. Throughout the book there are boxes providing detailed exploration of key concepts, and case studies and review questions appear at the end of each chapter to stimulate critical thinking. Introducing Leadership is for people at all levels in organisations, particularly those aspiring to their first leadership role or studying for leadership qualifications at ILM or CMI Levels 3 to 5.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- Joshua Gerhold PhD

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

-- Meagan Roob
