Tilton s Journal of Horticulture and Florist s Companion, 1870, Vol. 7 (Classic Reprint) (Paperback)

By Unknown Author

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Tilton s Journal of Horticulture and Florist s Companion, 1870, Vol. 7 Rules for practice are promulgated as if they were of universal, instead of being only of special, application. The difficulty of establishing practical rules, that would be universal in their nature, or uniformly successful, arises in part from the varied action of the agents of vegetation, and the almost infinite degrees of their individual modifications under varied circumstances, such as are dependent upon soils and climates, moisture and aridity, heat and cold. No rules can be given that will be of equal force or application in every case; the practice perfectly adapted to one soil and situation would be altogether unsuited to another if differently circumstanced. One thing, however, is certain - that all successful practice is based upon the laws or principles that govern vegetable growth; and all successful results, no matter how contradictory their origin may appear to be, are capable of being referred to the same unvarying principles, could we but trace their progress through all stages of development. In view, therefore, of the many...

Reviews

Excellent eBook and useful one. it was actually writtern extremely perfectly and useful. You wont truly feel monotony at at any time of your time (that's what catalogues are for about when you question me).
