SINISTER FROG: A RADIO SIDESHOW FOR TWISTED MINDS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This humorous and very edgy radio mystery drama will take you on a crazy ride. A cynical middle-aged New York detective, Lancaster Boyle, is pursuing deadly green mutant humanoids and an ancient evil energy inhabiting the body of a giant sinister frog. Despite himself, this aging, cynical detective just might be the hero this nation needs. Sinister Frog is a tale of science gone awry in an era of skeptical disbelief. The roots of this strange case threatening cultural norms began with a sinister force influencing the work of dedicated scientists in a small scientific laboratory. A few twisted romances are formed as the tale progresses. Twisted romances with the stunningly lovely scientist adds a bit of romantic spice to this wild ride. Boyle has a unique brand of wit and bravado expressed in mix of dialogue and narrations that makes this book hard to put down. The genuine likeable anti-hero with an oddly charming manner. Detective Boyle leads you through the dark underbelly of New York to confront the Sinister Frog in a frightening ritual. Who will prevail? This radio sideshow will have anyone with a twisted mind laughing one moment, then cringing the next, as you join in with the action, romance and terror.
