## LETTERS ON ENGLAND

[DOWNLOAD](#)

Spastic Cat Press. Paperback. Condition: New. 104 pages. Dimensions: 8.9in. x 5.9in. x 0.4in. Letters on England (Lettres philosophiques) is a series of essays written by Voltaire based on his experiences living in England between 1722 and 1734. In some ways, the book can be compared with Democracy in America by Alexis De Tocqueville, in how it flatteringly explains a nation to itself from the perspective of an outsider, as Voltaires depictions of aspects of English culture, society and government are often given favorable treatment in comparison to their French equivalents. Voltaire (Franois-Marie Arouet) was a French Enlightenment writer, historian and philosopher famous for his wit and for his advocacy of civil liberties, including freedom of religion, freedom of expression, free trade and separation of church and state. He was a prolific writer, producing works in almost every literary form, including plays, poetry, novels, essays, and historical and scientific works. He wrote more than 20, 000 letters and more than 2, 000 books and pamphlets. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
