THE POLITICS OF THE COMMON MARKET (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Politics of the Common Market The Common Market had become an integral part of the political order of Europe both international and national, hence the proper study of all who were interested in European government and politics, or regional international organization. This book is a discussion of the distribution of power within the Common Market and the institutions way of deciding issues and taking action. It does not delve into the technical economic mission of the Common Market nor is it a polemic for European unity. It is a neutral inquiry into the evolving political order of Europe, which takes all relevant material into account, whether it be the formal constitutions, regulations, and court decisions, or the gentlemen's agreements, informal institutional dynamics, or biases of men in positions of power. Gathering information on the politics of the Common Market posed a special problem. Its documentation is very limited, and American political intuitions are not always trustworthy points of departure for analyzing European political phenomena. a Fulbright research grant was of great value, however, in enabling me to visit the dispersed offices of the institution, talk with European civil servants and diplomats, and read documentation unavailable outside the Common Market offices. A Ford Public Affairs grant administered by Carleton College also assisted in the preparation of this book. I am indebted for numerous suggestions from Hans Schmitt, who read a large part of the manuscript at an early stage, and from Leon Lindberg, who read the final product. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important...
