CELESTIAL ARTS, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Have you been traumatized by infidelity? The phrase broken heart belies the real trauma behind the all-too-common occurrence of infidelity. Psychologist Dennis Ortman likens the psychological aftermath of sexual betrayal to post-traumatic stress disorder (PTSD) in its origin and symptoms, including anxiety, irritability, rage, emotional numbing, and flashbacks. Using PTSD treatment as a model, Dr. Ortman will show you, step by step, how to: - work through conflicting emotions - Understand yourself and your partner - Make important life decisions Dr. Ortman sees recovery as a spiritual journey and draws on the wisdom of diverse faiths, from Christianity to Buddhism. He also offers exercises to deepen recovery, such as guided meditations and journaling, and explores heart-wrenchingly familiar case studies of couples struggling with monogamy. By the end of this book, you will have completed the six stages of healing and emerged with a whole heart, a full spirit, and the freedom to love again.
