

Violence as Good for Those Who Commit It: A Reader (Paperback)

By Jane F Gilgun PhD

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.People talk about senseless violence, but violence is not senseless to perpetrators. When people commit acts of violence, they think they are doing something good. The readings in this book show the many ways that people enjoy violence. They commit violence themselves, celebrate the violence of others, and think about things they d like to do with others. Prevention is difficult because violence means far too much to far too many. Yet, violence causes suffering. Somehow we have to connect the joy of violence with the suffering that violence causes. Then, we might find the will and the resources to challenge the multiple forces that create conditions where violence flourishes.

Reviews

The most effective pdf i possibly read. It is amongst the most amazing publication i actually have go through. You are going to like the way the author publish this pdf.

-- Chelsea Durgan PhD

I actually started off looking over this pdf. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
