

Profit Via Etf's

By Tony Pow

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Investing could be simple and profitable to beginners and experts alike. The best and easiest way is to use ETFs. Most fund managers and hedge fund managers after their hefty fees cannot beat the index. Just buy SPY (an ETF stimulating the market) and you re diversified and beat most fund managers. This book is different from most other books on this topic. There are many techniques hidden that help you to beat the market and at the same time ensure safety for your hard-earned money. The average of the loss of the last two market crashes is about 45 from their peaks. It is the main theme in this book and I allocate a good portion of this book to this theme. I also debunk the myth of you cannot time the market. There may be false signals but they correct themselves shortly. I use the simplest way to time the market without the hard-to-learn charting. Just follow the simple techniques. There is nothing else besides this low-priced book to buy or subscribe. This...
