

The Schwa Was Here

By Neal Shusterman

Penguin Putnam Inc. Paperback / softback. Book Condition: new. BRAND NEW, The Schwa Was Here, Neal Shusterman, They say his clothes blend into the background, no matter where he stands. They say a lot of things about the Schwa, but one thing is for sure: no one ever noticed him. Except me. My name is Antsy Bonano and I was the one who realized the Schwa was a functionally invisible and used him to make some big bucks. But I was also the one who caused him more grief than a friend should. So if you all just shut up and listen, I'll tell you everything there is to know about the Schwa, from how he got his name, to what really happened with his mom. (I'll spill everything. Unless, of course, the Schwa Effecta wipes him out of my brain before I am done).
