FBC LTD, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Improvement Era, Vol. 11: Organ of the Seventies and the Young Men s Mutual Improvement Associations; July, 1908 There are people who call themselves fatalists. They profess a belief in destiny, and so resign themselves to whatever happens as the inexorable decree of, fate. They carry this belief to such an extreme as to declare that man is the mere puppet and tool of unseen in?uences: that he is utterly unable to control or change the conditions Of his life; that he will live his allotted days in spite of neglect of health or of rash exposure to danger; that he will die when his time comes, what ever he may do to escape injury or to stay the ravages of disease. Like all other fads. And foibles of human fancy, this ex treme conception is unreasonable, unscriptural, and untrue. It has not even the element of novelty to excuse it; it is a survival or a revival of ideas current in the days of ancient mythology, when a deity, good or evil, was supposed to rule in every human act...
