Brand New Book ***** Print on Demand *****.SUCCESS FROM A SPIRITUAL APPROACH As a player, coach, manager, or any leader, if you want to be a positive influence in your world you must first be a positive influence on your self. Ground yourself in the principle that Positive Spiritual Attainment yields positive results. As John Heider states in The Tao of Leadership, your behavior influences others through a ripple effect. A ripple effect works because everyone influences everyone else. Powerful people are powerful influences. Remember that your influence begins with the Spirit Man inside you and ripples outward. So be sure to connect to that nucleus. Presented here is a workbook that gives you five perspectives to evaluate your team or organization. It Includes over 200 criteria beginning with structure, human resources, conflict, culture and finally the spiritual analysis for evaluating and building your team or organization. It is all done for you. Acts 3:6.
