

By the Waters of Babylon: A Collection of Doubter s Devotions (Paperback)

By Crystal St Marie Lewis

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In this bold collection of twenty-five writings, liberal Christian religion writer Crystal St. Marie Lewis captures in words, emotions and memories a life and perspective on Jesus-centered faith that transcends the boundaries of dogma. She writes of doubt and faith, Jesus and interfaith influences, Christianity s past and the future of the faith, each with reverence and wit, care and careful criticism, hope and 21st-century humanistic sobriety. Lewis provides an accessible bridge between ancient and postmodern theology, and a cogent argument for why these things should matter more to us all. She leads her readers on a trip to the margins of faith which promises to challenge and inspire them, regardless of their spiritual affiliation.
