Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Dead is Dead is based on the draft memoirs of Olivia Egen, a twenty-six year old dedicated journalist for a country newspaper, The Nargun Weekly . Nargun is a small country town in south east Victoria, Australia. Olivia s memoir is her account of her journey to find and achieve her life purpose and be honoured by her community. Olivia speculates on receiving national recognition for her collection of data because it can provide useful social and psychological insights into the behaviour of the people in and around Nargun. Childhood experiences of closely observing the life-cycle of birth and death on her parents farm leads to Olivia planning to enrol in forensic-science at university. Her father wants Olivia to help with the farm and refuses to pay for the course. While still at school Olivia begins working at the local newspaper to save and pay for the university course. After two years Olivia is at a crossroads; to become a forensic-scientist or a journalist? She realizes that her life purpose can be fulfilled by working for the newspaper and describes her rise from junior reporter to finding her niche as a crime reporter. Aiming to follow her father s custom of acknowledging and honouring the gifts given by all living creatures on their farm, Olivia begins applying this idea to the community of Nargun. What is the truth of every member of the Nargun community? Olivia gathers a private collection of DNA samples and detailed information on every citizen in order to acknowledge their contributions to Nargun. Her data also reveals the ugly side of Nargun residents. The nephew of Olivia s editor, Sam...
