Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s hard enough fending off ogres when you re a powerful wizard or a knight with an enchanted sword. Just try doing it with nothing but the wits you were born with. That s exactly what happened to Cassie Malloy when ugly, smelly, hairy creatures began appearing in her town. Now Cassie has to save herself from these six-foot beasts as they chase her and her siblings through the lonely streets of Paterson, New Jersey. But Cassie doesn t only have to save herself. The ogre band has come with a plan to turn Ike, her brother, into a fish, dooming him to spend forever swimming in the pond. They ve even kidnapped Cassie s best friend, Deirdre, though no one really knows why. Finally, Cassie learns that the ogres are here because of the Powermongers Company and their excessive pollution. It s going to take everything the Malloy kids have got to win this battle. One thing s for sure they had better be clever, or they are all goners.
