Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book will help your kids learn simple, fundamental concepts and get them to start thinking about math. The reason most people have problems with math is that they often do not understand the most basic concepts. Not understanding these basic concepts makes learning higher math, like Algebra, practically impossible. But with this knowledge, everything becomes possible. These lessons, the same ones used with kids, teenagers and adults, have changed D student into A+ students and art students struggling with their math pre-requisites into engineers. We hope that they will work for you!.
