This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. The only internationally successful, million-selling group to emerge from the late seventies London punk scene, the Clash set out to change the world with a potent mix of politics, iconic imagery, and blazing rock n roll. It was an agenda mirrored in the Clash s music, which swiftly evolved from ferocious punk rock to incorporate reggae, ska, funk, jazz, soul, and hip-hop. Passion Is a Fashion draws on over 70 interviews with the key participants in the story,roadies, producers, friends, and fans,and conversations with the Clash: Joe Strummer, Mick Jones, Paul Simonon, and Topper Headon. The first book to give real insight into what went on behind the scenes during the Clash s ten-year career, it charts the Clash s picaresque progress through the days of the early punk scene and their ground-breaking Rock Against Racism gigs, to the arduous touring, to their break out in America, and the making of the classic London Calling album, all the way to the band s eventual dissolution and the sudden, sad death of frontman Joe Strummer. Gritty, compelling, and above all authoritative, Passion Is a Fashion is the biography the Clash has long deserved.
