## STITCH LIBRARY: OVER 200 STITCHES FOR KNITTERS OF ALL ABILITIES

David & Charles. Paperback. Book Condition: new. BRAND NEW, Stitch Library: Over 200 Stitches for Knitters of All Abilities, Claire Crompton, Unleash your creativity with 200 versatile and innovative knitting stitches, plus projects and techniques from the author of the bestselling The Knitter's Bible, with over 125,000 copies sold worldwide. A comprehensive collection of knitting stitches, ranging from the very simple to the new and innovative. Use Stitch Library as a guide to making your own unique knitted pieces, whether you are creating beautiful garments, useful accessories or stylish adornments for your home. Use the range of edgings and borders to give an individual touch to your next knitted garment or to personalize your ready-made clothing by adding a knitted trim. The projects section will give you a range of ideas about how to use the stitches, with suggestions for designing your own versions. Use the projects to inspire you; the Cable Throw could just as easily be worked in panels of lace or texture stitches. The Making Waves scarf shows how a simple wave stitch can be worked in two yarns for a stunning effect. From a colourful patchwork cushion to a cashmere four-piece set and a pretty, feminine lace bag, there is a variety of creative projects. It's...
