Trump's Autistic Locker Room (Paperback)

By T B McHatchins

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Now that Donald Trump is president we must address the issue of locker room talk across the entire autism spectrum. Locker room talk is not appropriate conversation for teenagers or young adults to be having and people with autism might be confused now that Mr. Trump is president and approves of such talk. Now, the autism community must work harder than ever in trying to stop locker room talk. T.B talks about how to intervene early. We want to make sure that everyone understands what locker room talk is because they are going to be exposed to it. We just have to be sure that kids on the spectrum know that it is not socially appropriate for them to be engaging in locker room talk as Mr. Trump sees it. T.B. has been in several locker rooms throughout his life and has never witnessed the type of locker room talk that President Elect Trump speaks. T.B says that we should hold our president accountable as being a role model for younger children and even those with disabilities. Instead of mocking...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
