## FIGHTING FRANCE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As nuanced in her observations of human behavior as she is in her vivid depictions of French landscape and architecture, Wharton fully exploited her unique position as consort to Walter Barry, president of the American Chamber of Commerce in Paris, which allowed her unparalleled access to life in the trenches. Sensitive without sentimentality, and offering a valuable and extremely rare female perspective of a war dominated by the male viewpoint, this series of articles is nothing less than an inspirational testament to the strength of the human spirit at a time of the greatest adversity. Many of Wharton s novels are characterised by a subtle use of dramatic irony. Having grown up in upper-class pre-World War I society, Wharton became one of its most astute critics. In such works as *The House of Mirth* and *The Age of Innocence* she employed both humour and profound empathy to describe the lives of New York s upper-class and the vanishing of their world in the early years of the 20th century. In contrast, she used a harsher tone in her novel *Ethan Frome* to convey the atmosphere of lower-class rural Massachusetts. In addition to writing several respected novels, Wharton produced a wealth of short stories and is particularly well regarded for her ghost stories.
