Xulon Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Song of Solomon or Song of Songs is a story of intimacy between King Solomon and a Schulamite girl, his bride. It has also been interpreted by some to be an allegory of the love relationship between Christ and His Bride. However you choose to interpret this book, no one can deny the passion and intimacy that the king and his bride enjoy together. In the book Staircase to Transformation, we will take a journey with the Schulamite girl as her groom leads her into intimacy with him, and changes her into a strong woman of God. By following her journey, may your relationship with Christ become closer than ever, and may you be transformed into that woman of God you were created to be. Solomon 2: 10 Arise my darling, my beautiful one and come along. Chris Louer is a native born Californian who lives in Mission Viejo, California. Chris, a Bible teacher, received the Lord at the age of seven, and has been teaching and ministering to women for seventeen years. Gods faithfulness to His Word is a reality to Chris and the gentle, practical way she encourages women, has won her the loving respect of women she has ministered to in Bible Studies, retreats and conferences, and individually over the past seventeen years. Chris and her husband Ron have been married for thirty-five years. They have two grown married daughters, Melissa and Adrienne, four grandchildren, as well as two godly son-in-laws, Shane and Aron. With boldness and practical teaching, Chris delivers the Word to this current generation, alerting the Body of Christ to what God requires to remain overcomers in these days.
