What if we could find out what really happens to our souls after we die - from someone who is already there? This unique book is the true story of a man who in death has found a new purpose: to help us let go of the fear of dying and live differently now. To do this, he has channelled this information from the afterlife, in his new incarnation of an Earth Angel. The book tells what happened to his soul during death, and afterwards in the spirit world. This illuminates our cycles of soul rebirth, the connection to divine love and your soul family, the purpose for incarnating on Earth, and much more. After Life shows that after death we experience only love and belonging, healing and new purpose. This will not only comfort those grieving the loss of a loved one. It helps you to connect to your spirit s purpose while in life, let go of old wounds, and appreciate the big picture of your soul s journey. author bio: About the Author Claire Swinney is a writer, spiritual healer, metaphysical counselor, group facilitator, mentor and seeker of divine wisdom.
