Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Elenor Koch PhD)

CUIDAR LA MADRE TIERRA

SAN PABLO EDITORIAL, 2015. Condition: Nuevo. Esta obra nos ofrece un acercamiento a la encíclica Laudato si', del Papa Francisco, para facilitar su comprensión y lectura meditativa. Los comentarios están realizados por seis personalidades comprometidas con la Iglesia y con la ecología: Leonardo Boff, uno de los máximos exponentes de la teología de la liberación, define la encíclica como la «carta magna de la ecología integral» (que va más allá -dice- de la ecología ambiental); el misionero comboniano Alex Zanotelli afronta la repercusión de la crisis ecológica sobre los pueblos empobrecidos; el jesuita y economista francés Gaël Giraud analiza la encíclica desde la perspectiva de la economía; los sociólogos Chiara Giaccardi y Mauro Magatti señalan los retos que deben afrontarse para la educación en el cuidado de la creación, y, por último, el jesuita y periodista Giacomo Costa propone algunas acciones para poner en práctica la encíclica Laudato si'.
