We Shrink Wrap & Carefully Package Your Order & Quickly Ship It. - Jer. 3:15 - And I shall give you shepherds according to My heart, and they shall feed you with knowledge and understanding. - S. Douglas Woodward has written an astonishing analysis of the end of times, focusing on the Mayans, Bible prophecies, and the end of the world. His book is Decoding Doomsday: 2012, The Apocalypse and the Perilous Days Ahead. It is a fresh update to Bible prophecy that also focuses on revelations and the end of the world from many other sources, such as the Masons, the Zohar, Nostradamus, Sir Isaac Newton, and Friedrich Nietzsche. Woodward shows how esotericism, mysticism, UFOs, theosophy and even the history of Adolf Hitler connects to 2012. Woodward also analyzes the recent work of authors like Tom Horn on Masonic influences in America (as discussed in his book, Apollyon Rising 2012). Finally, Woodward discusses traditional apocalyptic topics like the Rapture, World War III, and the notion of doomsday as an important path to find life's true meaning. The book totals 421 pages including a forward by Rabbi Daniel Lapin. Recently, Woodward has appeared on the television program, Prophecy in the News with J.R. Church and Gary Stearman discussing the many issues in the book. Decoding Doomsday has received excellent reviews. Gary Stearman hailed it, "Authoritative on the subject of 2012 and a must read".
