Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.

(Dr. Grady Jacobi DDS)

TWENTY-TWO GOBLINS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.On the bank of the Godavari River is a kingdom called the Abiding Kingdom. There lived the son of King Victory, the famous King Triple-victory, mighty as the king of the gods. As this king sat in judgment, a monk called Patience brought him every day one piece of fruit as an expression of homage. And the king took it and gave it each day to the treasurer who stood near. Thus twelve years passed. Now one day the monk came to court, gave the king a piece of fruit as usual, and went away. But on this day the king gave the fruit to a pet baby monkey that had escaped from his keepers, and happened to wander in. And as the monkey ate the fruit, he split it open, and a priceless, magnificent gem came out. When the king saw this, he took it and asked the treasurer: Where have you been keeping the fruits which the monk brought? I gave them to you. When the treasurer heard this, he was frightened and said: Your Majesty, I have thrown them all through the window. If your Majesty desires, I will look for them now. And when the king had dismissed him, he went, but returned in a moment, and said again: Your Majesty, they were all smashed in the treasury, and in them I see heaps of dazzling gems.
