Reviews

It is great and fantastic. Better than never, though I am quite late in starting reading this one. Your life period will likely be transformed once you comprehensively read this book.

Pegasus, 2012. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1605982903 Dust jacket condition: New. The story of the forgotten Kharkov Trials, which sought justice for the thousands of Jews killed in the Ukraine two years prior to the infamous Nuremberg Trails. When people think of the Holocaust, they think of Auschwitz, Dachau; and when they think of justice for this terrible chapter in history, they think of Nuremberg. Not of Russia or the Ukraine, and certainly not of a city called Kharkov. But in reality, the first war-crimes trial against the Nazis was in this idyllic, peaceful Ukrainian city, which is fitting, because it is also where the Holocaust actually began. Revealing a lost chapter in Holocaust historiography, *Judgment Before Nuremberg* tells the story of Dawson's journey to this place, to the scene of the crime, and the discovery of the trial which began the tortuous process of avenging the murder of his grandparents, his great-grandparents, and tens of thousands of fellow Ukrainians consumed at the dawn of the Shoah, a moment and crime now largely cloaked in darkness. Eighteen months before the end of World War II?two full years before the opening statement by the prosecution at Nuremberg?three Nazi officers and a Ukrainian collaborator were tried and convicted of war crimes and hanged in Kharkov's public square. The trial is symbolic of the larger omission of the Ukraine from the popular history of the Holocaust?another deep irony, as most of the first of the six million perished in the Ukraine long before Hitler and his lieutenants even decided on the formalities of the Final Solution. 35 black-and-white photographs Editorial Reviews Review Dawson skillfully weaves the story of Zhanna's life and music into a vibrant tapestry, tattered and torn, yet triumphant. (Publishers Weekly) An unbelievable saga. (The Atlanta Journal...
