Heath Sparks is a man of God who is busy taking care of his quadriplegic wife who was seriously injured in a sever car accident. In an innocent effort to reach out to a lonely member of his church, Heath finds himself as the man and not the minister as Heath and Julia surrender their bodies to each other and face the wrath of God. Julia finds herself in over her head as she faces a deadly disease, the loss of her home and whispers about her wicked affair. Julia leaves the states offering her body as a living sacrifice in hopes of finding a cure while her heart remains thousands of miles away hoping to one day reunite with the man who holds it hostage. Whispers of the Wicked Saints is a once in a lifetime romance that is breath taking, defying all the rules of romance and bending the laws of love.
