Mindstir Media, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This little book by the author began as a sad realization during the final days of his father s passing. The author while sitting with his father remembering their relationship said, Dad I love you ; his father heard but did not reply. The author realized that his dad never told him what he thought about him as his son. At that moment, he longed for some verification that his father was proud of him in his journey to manhood. The author, having four sons of his own, realized that he also had not conveyed his pride in each of his son s development into manhood. He then began the effort to transfer the ideals of manhood to his sons; and verify their accomplishments. Not an uncommon story. Few fathers take the time to verify what our culture considers unnecessary. But to the author, the connection between father and son is most meaningful. The emptiness once felt, has been filled by telling each of his sons, Your dad thinks you are a man of honor.
