Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE FLY: THE DISGUSTING CRITTERS SERIES (PAPERBACK)

Tundra Books (NY), United States, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The first in a series of humorous books about disgusting creatures, The Fly is a look at the common housefly. It covers such topics as the hair on the fly s body (requires a lot of shaving), its ability to walk on the ceiling (it s pretty cool, but it s hard to play soccer up there), and its really disgusting food tastes (garbage juice soup followed by dirty diaper with rotten tomato sauce, for example). Although silly and off-the-wall,The Fly contains real information that will tie in with curriculum.
