MARKET OPPORTUNITY ANALYSIS: TEXT AND CASES

Jaico Publishing House, 2008. Paperback. Book Condition: New. The key to success in business is planning. And the key to successful planning is using a proven format to analyze a product's marketability. Market Opportunity Analysis : Text and Cases guides you step-by-step through the complicated process of determining the feasibility of marketing a new product or service. Using ten real-life case studies with sample reports of actual analyses, the book examines the factors that influence feasibility analyses, including external considerations...

Reviews

I actually started off looking over this publication. It is written in easy terms instead of difficult to understand. You are going to like the way the writer writes this ebook.

-- **Anabel Nienow II**

An extremely wonderful pdf with perfect and lucid information. Better than never, though I am quite late in starting to read this one. I realized this publication from my dad and I recommended this publication to understand.
