WW Norton Co, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. With the imagination of a writer and the eye of an artist, Michael Korda doodled on the backs of old manuscripts in his tackroom while his wife, Margaret, was out riding. They loved and acquired cats-a habit written about previously in their book, *Cat People*-and the few in residence at this time would serve as inspiration for the drawings. These are no ordinary cat illustrations, though. Korda s cats read newspapers and books; go ice skating in the small country town where they live; comfort Margaret s horse, Monty, after a stressful vet visit; sell fried mice at the Farmer s Market, and undertake (on paper, at least) whatever fanciful endeavours their keeper conjures up. The result is a collection of magical pieces, filled with joy, that represent a year in the life of a couple in love with one another, and certainly with their cats.
